

In this inspiring and powerful seminar learn how Animal Essences:

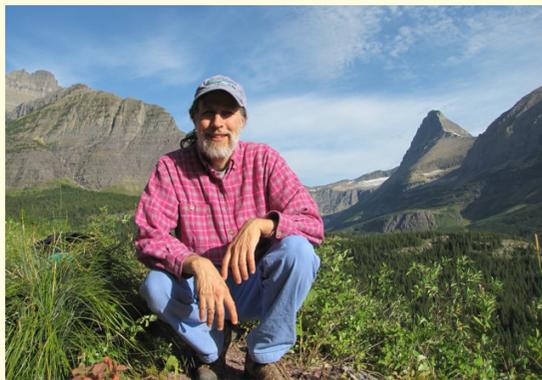

- Provide support for your emotional support and healing
- Provide support for your spiritual development
- Provide support for physical challenges

## Connecting with Wild Animals As a Source of Wisdom, Power and Guidance

Healing and Transformation with the  
Wild Earth Animal Essences  
with Daniel Mapel from the USA  
March 19-20, 2016  
Bleskensgraaf, near Rotterdam  
and Dordrecht, Holland

Daniel in Montana, USA

Join us for amazing days of learning, inner work, and play with the support of the Wild Earth Animal Essences. Daniel creates a space of healing where the essences, and the gifts of the animals, can truly be experienced. He brings the animal spirits to life in a loving and joyful way, and his teachings have a deep understanding of the hidden world of animal wisdom.

During the seminar, participants will have the opportunity to journey inward to connect with the animals and receive guidance for their lives. Daniel will supplement the individual and small-group activities with teachings, including discussions of many of the Wild Earth animal essences, their applications, and accounts of his personal experiences with the animals.

This seminar offers a wondrous blend of both left-brained learning and deep personal growth work -- a magical combination that will lead you inward to a deep connection with the animals and with yourself. Come prepared for an adventure!

### Words from Past Participants:

*"As an animal lover, communicator, and therapist, I have great admiration for the way Daniel creates his essences in such an honourable and respectful way towards the animal kingdom. It is a joy to use these powerful essences, and his courses bring a whole new dimension to connecting with animals, spiritually and physically."*

-- Anne Wilson, UK

*"A beautiful, relaxed, healing workshop that takes you deeper than any I've done before. Daniel's style allows you to absorb information organically and effortlessly. Thank you."* -- Claudia Jones, UK

Wild Earth Animal Essences are gentle, vibrational remedies made during a ceremonial process of meditation and attunement. No animals are captured or harmed. The essences are distributed in 20 countries around the world.

Since 1996, Daniel Mapel, MA has developed the Wild Earth Animal Essences in the Appalachian Mountains of Virginia. He has worked as a wilderness guide, as a community development worker in West Africa and as a professional counselor with survivors of abuse. He now devotes his time to fostering the animal essences, and he travels internationally teaching about his work.
